New and Easier Admission Procedure for Vendors: As in the past, the admission is \$1 per person and we will still be collecting that at the doors on Saturday. Each vendor will get two people in free for each booth purchased. We will have wrist bands in your packet for you upon arrival. Additional wrist bands may be purchased at the door. Use the wrist band to get in the building. That should make coming in on Saturday morning a lot easier.

Set Up Times: Doors will open at 6 a.m. to set up on Saturday. We should be ready for business by 9 a.m. We will advertise that shopping starts at 9 AM.

Placement of booths: We try our best to put all vendors in the same place they were last year or at least something close by. Adding to the size of your booth is fine but it might bring on a slight change to your location. If you plan on setting up with friends either gather up all the checks and send them together or send one check. We will do our best to put you together, however, no guarantees.

Outside displays and trailers: Various kinds of trailers being offered for sale or trailers containing merchandise, hay or similar items for sale may be parked outside the Smith Building WITH PERMISSION and by paying a small fee equivalent to what would be charged indoors

Both Non Commercial and Commercial vendors are welcome. We do ask that you do not sell any type of food or drink that competes with our food vendor. Bake sales are fine.

Clean Up: Everyone please leave your booth area clean of debris and left over merchandise. A community table is available to put any free items on. Thanks!

Tables and Chairs. Tables and chairs will be provided.

Dogs. No dogs permitted in building. Puppy sales are welcome outside but please make sure they are old enough and healthy.

2010 Club Membership Dues: \$25 annual fee

Cost: Club members receive 2 tables free. Tables indoors are \$15. each; Tables outdoors \$10. each
Horses for sale and Stallion row stalls are \$15 each

Please may checks payable to: Henry County Saddle Club
